

## EMPLOYEE WELLBEING BOOSTERS

As a leader and manager, you know little things can make a big difference. Connecting with team members meaningfully can have a positive effect on their wellbeing and commitment. Reach out with personalised messages via unique eCards to:

- Check in when things are not going so well
- Offer support during stressful times
- Congratulate a job well done
- Celebrate a birthday or work anniversary
- Express gratitude for special contributions

Each eCard image is a copy of an original artwork by a local artist. There are over 200 eCards to choose from, and new designs from more artists will be added periodically.

Your organisation can participate by making a tax-deductible donation to Holyoake to support our free counselling programs. We will then create a special code which you can use to send eCards through the year.

### Connect with staff & clients

Send personalised messages for a range of purposes, events and occasions.

### Artworks from local artists

Shout out to the artists who have generously contributed their artworks for this campaign.

### Support a charity

Your tax-deductible donation will help support Holyoake's free counselling programs.
